Sultan's contributions to delivery of LMS initial releases followed by Spring and Summer this year have been a key for success of this initiative. He manages the technical team that is responsible for delivery of the solutions and maintenance of the systems. His contributions to-date have been recognized by the stakeholders, Deloitte and UCLA senior leadership team. Sultan is very knowledgeable about the student systems and the underlying data. His solutions are modern and meets the needs of the business. He is methodical in his approach and delivery. Sultan also manages the operation of the DT team with many key operational projects for our stakeholders. He will play an important role in the Student Experience initiative that we will be launching soon. Sultan is a team player and well respected by his peers. I would like to nominate him for the Star Awards for this fiscal year.
